2. General Reber, Chief of Legislative Liaison, Department of the Army, called to state that he had received a letter from the property owner adjoining the [REDACTED] requesting certain information regarding the property. Gen. Reber will give an interim reply and forward the letter to us for the preparation of an answer.

3. Mr. Kelley, of the staff of the Senate Interstate & Foreign Commerce Committee, called to inquire whether we might not furnish certain information regarding munitions plants and power development in Shanghai. These questions have arisen in connection with the trip of Mr. Hansen of the Committee Staff to the Far East.
